

INSTRUCTIONS: **BIG-MOUTH™, WIDE-DOOR™ TRAP**

1. Place trap where gray squirrel or other target animal is most seen.
2. Remove tape on front of trap (on the bars)
3. Raise the Shur-Lock™ positive lock bars on each side of trap while lifting open the door.
4. Slide the bar, on top, into the slot.
5. Put bait of a cob of corn, Pile of sunflower seeds, or other lure-bait into the bait tray.
6. Make line of trailing seed or shelled corn in front of trap.
